

Are you a hair stylist?

Are you interested in improving health for young women?

We are looking for hair stylists to participate in an online survey!

Why SRH?

It is not easy for young women in Lesotho to access Sexual and Reproductive Health (SRH) services such as condoms, contraceptive pills ("lipilisi"), HIV prevention pills, etc.

Why hair salons?

Hair salons may provide an innovative and safe community space to offer SRH services.

But first, we want to hear from you!

Ready to register as a hair stylist? See if you qualify below:

01.

Hair salons and stylists

You are a hair salon stylist aged 18 or older at a hair salon for women in Lesotho.

02.

Customers

Your customers include young women aged 15 or older.

03.

Smart phone

You have an Android smart phone with a camera and location service.

04.

Mobile money

You have an M-Pesa account.

05.

WhatsApp

You use WhatsApp on your smart phone.

If you participate and help **recruit 3 clients** to participate, we will reimburse your effort with **maximum M300** and you will **receive a certificate**.
